Charity Poker Tournament Sunday, February 27th benefiting The Children's Hospital

It's just not fair that some kids are starting their life with the chips stacked against them. That's why the Golden Casino Group, owners of the Golden Mardi Gras Casino, the Golden Gulch Casino, and the Golden Gates Casino in Colorado, are proud to support the Children's Hospital and the Children's Miracle Network.

As part of this commitment to helping kids facing serious , the Golden Casino Group is hosting The Children's Hospital Charity Poker Tournament Sunday February 27 at the Golden Gates Casino. Registration starts at eleven and the first cards are dealt at noon. It's a one hundred dollar buy-in, betting levels jump every twenty minutes. And for every person who signs up, the Golden Casino Group will donate twenty dollars to the Austin Jay Fund which benefits the Neurology department at the Children's Hospital. But there are only one hundred players' chairs available.

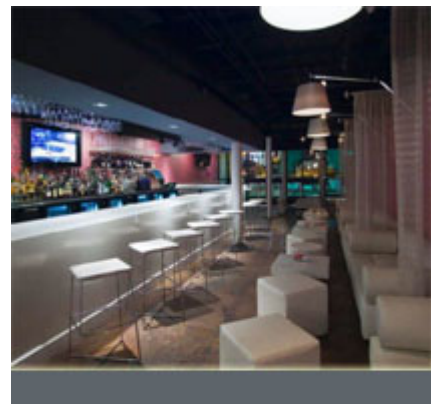

Not a poker player, you can still help Children's Hospital, just spend time with the slot machines. Golden Rewards members that activate their cards at any Golden Casino will get five times the points and the Golden Casino Group will donate ten dollars to the Children's Hospital for each slots player. Come have fun and support a great cause.
